

# Flat Roof PTX Series

AVAILABLE FROM  
NEPEAN POWER

NEPEAN Power is a proven leader in the supply and manufacture of quality engineered solutions, products and technologies. Established in 1994, through the commitment of our dedicated team we have become a supplier of choice.

The PTX general purpose wall mount in stainless steel is the 'staple' industrial product in our range. A high quality enclosure built for harsh industrial applications.

## Features

- The foam PU sealing gasket makes sure the enclosure reaches protection grade IP66 level
- Grade 316 Stainless Steel provides superior corrosion and heat resistance
- Heavy duty body construction - 1.5mm
- Extended border hinges ensures high intensity of the system
- Galvanised mounting plate and high intensity installation support bars ensure liability of installation
- The gland plate makes for convenience and flexibility of inlet and outlet wiring cables
- Wire drawing finish on the surface
- 8mm Stainless Steel square drive spanner lock
- Mounting pan 2mm powder coated white mild steel
- Earth strap kit included
